To whom it may concern

The Interhash Council wishes to state that it has received both the financial audit and Summary report from Plan It Productions, the operating arm of the Interhash TT 2020 Committee from the onset.

We would like to thank the entire Interhash Trinidad 2020 Committee for the tenacity and dedication showed under adverse conditions throughout the Covid-19 global upheaval, in their efforts to host the Interhash in Trinidad

Their willingness to communicate and take advice, along with their transparency throughout has made this experience easier for us all.

Sadly all of their planning was disrupted by the Covid-19 pandemic, and they could not finally deliver the exciting event that we were all looking forward to.

A significant amount of funds, from the red dress run, have been donated to the charity, as intended, and surplus funds from the Interhash TT event registration have been forwarded to the Interhash Council account, as agreed.

We now consider the Interhash TT 2020 event satisfactorily closed. Once again thanks to all who made every effort to keep this event going during these four years of unprecedented times. We wish you all the best.

On on
